

Newton's Laws of Motion

1. Newton's First Law of Motion:

2. Newton's First Law of Motion examples:

What is the situation? Where is it located on campus?	How and why does this situation provide a specific example of Newton's First Law of Motion?
A)	A)
B)	B)
C)	C)

3. Newton's Second Law of Motion:

4. Newton's Second Law of Motion examples:

What is the situation? Where is it located on campus?	How and why does this situation provide a specific example of Newton's Second Law of Motion?
A)	A)
B)	B)
C)	C)

5. Newton's Third Law of Motion:

6. Newton's Third Law of Motion examples:

What is the situation? Where is it located on campus?	How and why does this situation provide an example of Newton's Third Law of Motion?
A)	A)
B)	B)
C)	C)
